

Stephanie Buljugić

Project Coordinator

PROFILE

I am energetic, creative and the perfect worker bee. I love putting great ideas into practice and have developed a passion for conflict resolution even before my career started. Since 2007 I am active in the field of human rights and unarmed civilian peace keeping but also humanitarian aid. Amongst others I've held positions as project coordinator, operations manager and humanitarian expert. I grew up in Germany's beautiful Alps but moved early to Berlin. Since then I continue to live and come back here from wherever I am.
