

Elena Fiedler

Trainee

PROFILE

As an urban researcher and conflict-trainer, I wish to support communities, social change, and conflict transformation on the local level. I get easily fascinated about new ideas and about the process to realize them. As a Trainers I like to work closely with people and groups on their personal conflicts and issues and to understand their connection to political structures and dynamics and to eventually find ways of power and change.

LANGUAGES

German - *native*
 English – *fluent*
 French - *intermediate*

INT. EXPERIENCE

I conducted research projects in:

Eastern Europe
 (Ukraine, Serbia)

MENA
 (Israel, Palestine)

ASIA
 (China)

PROFESSIONAL EXPERIENCE

10/2021- **TRAINEE**

today

In 2021 I started my work at CRISP as a Trainee and help to coordinate and conduct projects and Trainings in Georgia and Germany. Within the Trainee I get directly involved in international project management as well as development and facilitation of simulation games.

CEEM. Civic Education with Participatory Methods: working on participatory methods for civic education teachers in Georgia, we organize multipliers-trainings in Georgia and Germany about simulation game and theatre method.

2019 -
today

PROJECT ASSISTANT AND TRAINER

2019 I started working for Cultures Interactive. A berlin-based NGO for Intercultural Education and Violence Prevention as a Trainer and later as a Project Assistant. I organized and conducted Trainings at schools in the field of anti-bias training, process orientated group-work and peer-learning in youth-cultural activities. My Projects were dealing with youth participation in structural-weak cities in Germany.

10/2018 -
04/2019

LECTURER

In 2018 and 2019 I conducted Seminars about the role of municipal communities with the EU-Border regime at faculty for social urban research (Bauhaus University Weimar).

2016 –
today

TRAINER / CONFLICT CONSULTANT (FREELANCING)

I work as a consultant and trainer for civic education and conflict-transformation. I give trainings in the field of non-formal youth education, conflict management and narratives and give conflict consultancy for NGOs in the field of non-formal education and municipal actors.

EDUCATION

10/2017 –
07/2020

Master of Science
